THE REBIRTH OF ONE OF THE GREATEST WATCHMAKERS EVER

To celebrate its twentieth anniversary, Les Ateliers Louis Moinet invites you to a unique exhibition that is opening today, August 15, at the Fairmont Grand Hôtel in Geneva.

Come discover the “best of” watchmaking, a journey through the unique world of Louis Moinet, from yesterday to today. A special space on the ground floor of the hotel has been transformed into an art gallery for the occasion.

Two extraordinary creations will be presented for the occasion. The first is the SPEED OF SOUND, a limited edition of 20 pieces featuring a legendary calibre that we will be unveiling exclusively. The second is the STARMAN, an exceptional timepiece containing the first traces of life found in the cosmos.

Do not miss this outstanding event! Come celebrate the rebirth of one of the greatest horological masters ever.
